#### Comments from parents and carers:

*“What fantastic teachers you have been this year, you have demonstrated resilience, flexibility, focus and determination in the face of the worst year ever! Our children are very, very lucky to have you as their teachers. Have a brilliant Christmas and an easier 2021. Thank you.”*

*“I feel that your team Mrs Foy have all been outstanding and amazing before and during this horrid situation we all find ourselves in. They are a credit to our school. You and your staff have kept it as 'normal' as possible for our children and for that we are extremely grateful. So a huge thank you from us.”*

*“We've been amazed, impressed and delighted with the way that the teachers at South Failsworth Primary School have operated since March this year, with tireless enthusiasm and new ideas to make sure that our children remember this year for many good reasons. Wishing you all a relaxing and refreshing Christmas break and hope we see brighter times in the New Year.”*

*“Thank you so much for keeping school life going and making everything as normal as possible for our children during this unsettling time. I can't thank you all enough. School means stability, familiarity and comfort for a lot of children, and to know that they still have this during these uncertain times is such a relief. You're all amazing!”*
