

## Science 77 Words - Key Vocabulary

	EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
1	common	amphibians	nutrition	vertebrate	predator	gestation	circulatory system
2	senses	mammals	reproduce	invertebrate	prey	foetus	digestion
3	seasons	carnivores	habitat	sedimentary	producer	sexual	organism
4	melting	herbivores	food chain	artificial	evaporation	asexual	micro organism
5	stems	absorbent	germination	gather	reversible	conductivity	fossilisation
6	shadow	deciduous	prediction	identify	irreversible	insulation	evolution
7	floating	evergreen	record	classify	solidify	orbit	adaption
8	sinking	observe	measurements	contrast	condensation	axis	circuit diagram
9	seeds	equipment	results	conclusion	vibration	resistance	systematic
10	roots	group	fair test	present	evidence	friction	accurate
11	material	compare	source	prove	enquiry	embryo	interpret
